

ONE SIX RIGHT

THE ROMANCE OF FLYING

Visit our Website: www.onesixright.com

Movie Synopsis:

An exhilarating documentary film that celebrates the unsung hero of aviation – the local airport – by tracing the life, history, and struggles of an airport icon: Southern California’s Van Nuys Airport. Featuring thrilling aerial photography and a sweeping original score, the film dispels common misconceptions and opposes criticism of General Aviation airports. Through the love story of one airport, past to present, the film shares the timeless romance of flying with all ages.

"This film was really too meaningful for me to even articulate."

– Bill Cola, Colfax, California

"One Six Right captures the spirit, joy and beauty of flight. One of the finest aviation films ever made."

– Harrison Ford, Los Angeles, CA

"Some of the most drippingly gorgeous flying sequences that have ever been projected onscreen."

– Christian Lloyd, Pilot Journal

"I was almost about to give up flying – thanks for reminding me why I got my pilot’s license."

– Chris Gerdes, Decatur, GA

"I’m not a pilot, but this movie made ME want to go get in a plane and fly! Pretty powerful stuff!"

– Bonnie Robb, Altadena, CA

"I didn't want my wife to see tears welling up in my eyes while I watched the film, but I think she understood."

– Paul Barnes, Ephrata, Pennsylvania

"It comes as close as a person can get to showing the romance of aviation..."

– Meg Godlewski, General Aviation News

"I walked into the theatre, but I floated out."

– Lori Mercer, Mountain View, California
